NSF RATED UFO HIGH BAY LIGHT

LED UFO NSF-Rated High Bay light fixture

DESCRIPTION

The NSF certified LED UFO high bay light adopts the appearance of UFO, which makes it more futuristic, longer lifespan, lower maintenance and higher efficiency. Replace less-efficient traditional metal halide bulb output . LED high bay light can also work with 0-10V dimmer, brightness is adjustable as your desire. Preinstalled hook make it easy for a fast installation. Smooth surface of UFO cover, difficult to accumulate water and easy to rinse, and also internal radial stripes can effectively anti-glare. It's simple to replace existing lights or make a new installation. The LED high bay light is ideal for commercial or industrial lighting, such as poultry processing areas,cold storage, saintary areas,production floor, freezers and dry storage areas,dust-free workshop, etc.

DIMENSION

Type	100/150/200W
Length(Inch)	15
Wight(Inch)	15
Height(Inch)	4.31
Weight(LB)	4.63

ORDERING INFORMATION

Series	MNUHB-100/150/200-50K-WH
CRI	80
Power	100-150-200W
CCT	5000K
Lumens	15,000-22,500-30,000LM
Efficacy	150LM/W
Dimmable	0-10V

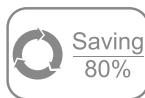

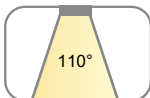

PRODUCT DESCRIPTION

- Aluminum alloy body coated with black anti-corrosion coating
- Active cooling heatsink, high thermal conduction
- Non-flicker, Anti-glare PC lens
- Unique designed for food processing application.
- IP65—IP rated as dust tight and protected against water projected from a nozzle
- IP69K— Protection against the ingress of dust and high temperature, high pressure water
- AC120-277V,0-10V dimmable
- Beam angle: 90°
- Temperature:-40 °C to 45 °C
- Suitable for wet location use
- Color Temperature : 5000K
- Wattage Selectable:100-150-200W
- Lumen output:150LM/W
- UL/DLC/FCC Certifications
- 5 Years Warranty

NSF

IP69K

WARRANTY

This product is warranted for 5 years from the date of purchase. If this product does not perform to the specifications supplied on this package, send an email to support@runbisonlighting.com for product return and replacement. This replacement is the sole remedy available. Liability for incidental or consequential damage is expressly excluded.
